EXALTED RULER MESSAGE

Here it is already June and we have accomplished much already this year, most recently we have covered our Youth Activities requirement by helping Bayside Elementary School with their Spring Festival. We were able to hand out DAP materials and Youth Camp applications at this event. We also had a big crowd for our Mothers Day Brunch that helped us with that requirement, we participated at The Veterans Hospital Carnival as usual, we sent people up to the Youth Camp for work weekend, initiated 2 new members, performed Highway Clean up and laid a wreath at The Memorial Day Ceremony at Virginia Beach Veterans Memorial. On May 30th we will have had our Rib Fest that will be the close of another busy Month for us at #2268. A huge tip of the antlers goes out to all of you that work so hard to get all this work done in our lodge!

This month many of us will be attending the VEA Spring Convention being held in Lynchburg the 12th- 14th. Unfortunately the 14th is Flag Day and there will be many of us on the road returning from the convention and we will not be able to participate in Flag Day ceremonies, we had been searching and trying to secure a proper venue to hold a Flag Day Ceremony on another day, so all could participate but none could be found that we thought would be appropriate in the time frame that we had. However Hampton and Newport News have teamed up and will hold a ceremony at Hampton Lodge on June 14th at 5pm and all are welcome to attend. If you cannot attend that one, Norfolk lodge will also be performing another Ceremony on June 19th @ 2:30pm at Lake Taylor Hospital. Our Luau will be held on the 27th of June. This is always a good event with lots of good food and good times. There is a signup sheet posted on the bulletin board if you would like to help out and tickets are available from Todd and Samantha Spencer or most other members. On another note, lately there have been several Members that have been trying to lobby me and get me pulled off in one direction or another. I know that this is common for a 1st term ER to

experience and I know that it is usually inevitable for this type of thing to happen. Well **“THIS AIN’T MY FIRST RODEO!”** You all know me and your actions fall on deaf ears! If you have a good idea or think you know the direction that the lodge should move, by all means go to a meeting and let your views be heard by the membership, they are the ones that make decisions. My job requires me to be fair and impartial and I have a whole book of procedures that I must follow; I do not even get a vote on issues concerning the lodge. It is up to you the membership to decide where you want to go. Please feel free to talk to me about the weather or bikes or anything else in the lounge just don’t talk to me about issues that I have no control over.

FLAG DAY CEREMONIES

To all those interested in attending Flag Day Ceremonies, Hampton and Newport News Lodges are hosting a Ceremony on Flag Day at the Hampton lodge beginning at 5pm also those of you that will not be able to make that one, Norfolk Lodge will be holding a Flag Day Ceremony at the Lake Taylor Hospital on the 19th of June beginning at 2:30pm.

Greetings fellow Elks,

As we close in on the Vets run and Motorcycle raffle, we are beginning to see a lack of sales compared with last year. We are looking at less than ½ of the money needed to pay for the bike. My biggest fear is that the raffle will end up causing a loss to the lodge. Please, push the Raffle tickets. I know it’s rough. All I ask is give it your best.

Janice and I would like to have all unsold tickets returned by 01 July. This will allow us the ability to track unsold tickets and have them available for re-distribution. If you intend to buy the tickets you are presently holding, then don’t worry about the 1 July deadline. However, please ensure they are paid for before the drawing on July 19th. This is only for those you were trying to sell to others. Tickets will still be available for purchase up until the drawing.

Also be advised, the VA hospital has a strict NO TICKET SALES policy at the hospital. If someone is interested in buying a ticket the day of the event, they must buy it at the Bass Pro Shop before the hospital visit, or wait until we arrive at the Hampton Lodge.

Shifting topics just a bit and putting on my Lecturing Knight hat for a moment. I realized just how much many of our members do in this lodge after seeing the excellent Mothers Day brunch. And there were many who helped who didn’t sign up. Thinking back at the last event I was in charge of, I had so much going on that I had to resort to the sign up list to make sure everyone got a thank you. Only later did I realize that I had missed some people. This wasn’t an intentional slight. It was an oversight by the older, pickled brain that rest inside my head.

If you show up to help, please put your name on the signup sheet. (Even if it is during or after the event) It helps old forgetful guys like me remember who was there helping. Things like cutting the grass before events and putting up the tables so the grass can grow after an event are all things that need done and seldom does the person get recognized.

A “Thank You” isn’t much, but it is all most of us can afford in this economy. For those I may have missed in the past, please forgive me and know that any and all help is truly appreciated.

Yours in Brotherly love,

Dan Haney
Lecturing Knight

YOUTH ACTIVITIES/DRUG AWARENESS

Thanks to all who made the Spring Festival at Bayside Elementary a success. We had five dedicated members turn out to help the kids decorate a cup and plant flower seeds for Mothers Day gifts. Thanks to Beverly Hamby and IB Dacyzcyn for handing out Drug Awareness material and Youth Camp information. Thanks to Joan Fialkowski for helping the kids decorate cups with stickers and Farmer Dan Haney for his special planting tips, donations of seed and soil and story read. On the sideline thanks to Joe Desmet for donations of seed and soil.

I am officially relinquishing my duties as Youth Activities and Drug Awareness Chair to Joan Fialkowski. Thank you to all members who have lent support throughout my time as Chair of this worthwhile committee. Please lend Joan your support as she takes over with many new ideas.

LODGE COMMITTEE CHAIRPERSONS

To all Committee Chairpersons:

Robert Clark, PER has requested that you all attend a meeting on Monday 15 June that will be held after the regular Lodge meeting. This meeting is to help you understand the operation of these committees and to get you required materials and guidebooks to help you perform your duties as a Chairperson properly. This meeting is to be attended by all that signed up on the Committee Chairperson sheet that was passed around the lodge at the beginning of the new Elk year. I am looking forward to seeing all your smiling faces at this meeting!

WORK CAMP WEEKEND

Fellow Elks,

We had a successful Work Weekend at the Elks Youth Camp May 15-17 2009. I want to thank Petersburg, Onancock, Newport News and Hampton lodges for their donations towards supporting the volunteers. With the help of a few other Regions, our Southeast volunteers managed to tear off and replace the roof on the Ranger's Modular Home, also we rebuilt screen doors in the Dining Hall and performed required maintenance on grounds keeping equipment. I want thank the Hampton Lodge for their volunteers and all the hard work. Mike Journell the Camp Ranger and Buster Shaner the Camp Maintenance Supervisor were very impressed with all the volunteers. We are donating \$186.10 in the name of Hampton, Newport News, Petersburg, Onancock and Virginia Beach to the Elks Youth Camp Maintenance Fund. I again want to say thank you to all that helped.

FOWL UP

THANK YOU – THANK YOU – THANK YOU

We want to say a big THANK YOU to all our brothers and sisters that came and helped out at the Fowl up. It wouldn't have been the great success without you.

We should start with the backyard – which looked great!!

Special thanks to Steve Sabin who every year donates the turkeys, and also cooks all of them, you're the best. Then of course the cooking of the chicken – thanks to Ken and Scott – couldn't have done it without you. Thank you Annie, ER Bob, Teri L, Butch, Jan for all the great sides. All the servers who stood back there the entire time making sure there was enough food to go around. The bartenders inside and out that stuck with it the entire time. The ticket sales the numerous donations and door prizes they all helped make it a great success. Bob and Don for their wonderful contributions that made it possible for Chris and Kathy to do what they do so well. Bobby and Bev who sat at the door what would we do without you? Eric for taking care of the 50/50 – woo hoo!! You did great!! Then of course the dirty job of the clean up – you all got right in there and helped Monty get it done, thanks. If we have missed anyone it is not intentional just too numerous to name. We appreciate everyone that just pitched in and helped. Thanks for making the first outdoor party of 2009 a great success.

Thanks to everyone.

JUNE BIRTHDAYS

Hello Everyone,

Casey here

I just wanted to say thank you for all your support and honoring me as Elk of the Year.

You Guys and Gals really got me.... The Ol' lady was very surprised, and so was I.

Every last person in the lodge touches me....Well not in that way...But our members have something that most want, and would not get without the chemistry that our lodge has.

We are the Mighty 2268, and that has been proven, our extended Family.

From the bottom of my heart, I thank you.

P.S.

No wonder you Guys Love Me... I'm an Action Hero!!!!
